

METAAL TRANSPORT EXPANDS

We are happy to show you the impressions of our new state-of-the-art terminal with all necessary resources. The new terminal will support us to be ready for the future.

In the same area as our office on the Heijplaatweg we are developing our new terminal. The terminal will be 90.000m² in size, with 25.000m² warehouse. All LME and MMTA approved. Equipped with shore cranes up to 120mt and weighing facilities we can be your trust partner, ready to handle your value-added metals logistics as your known for already 55 years.

For more information please contact us.

Kind regards,
Willem Jan de Geus
