

METAAL TRANSPORT– TERMINAL LAY-OUT & ENTRANCE

Welcome!

Terminal Map and Entry Information:

This guide provides essential information about accessing the terminal and navigating within.

Visitor Registration:

All visitors must be registered via email at visitors@metaaltransport.nl or by using Ship-2-report.

Entry Routes:

There are two entry routes into the port area:

1. Day Route/Gate:

- Opening Hours: Monday to Friday, 7:30 - 15:45.
- Upon arrival/ departure, please report to the office.

2. Night Route/Gate:

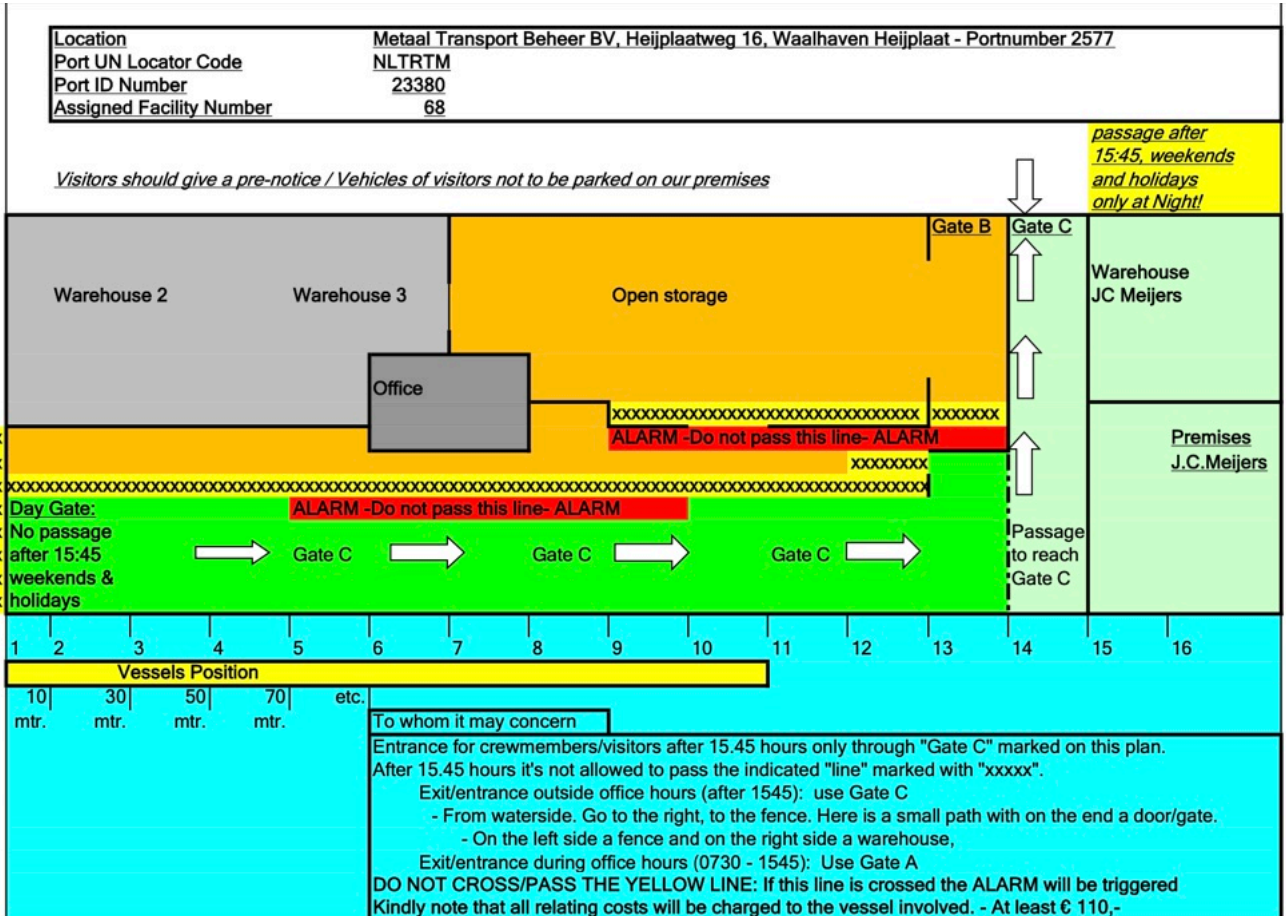

- Usage Hours: Saturdays, Sundays, holidays, and Monday to Friday, 7:29 - 15:46.
- Outside of opening hours, strictly follow the path of the "Night Route/Gate." Failure to comply will trigger alarms, and related costs (minimum EUR 110.-) will be passed on.

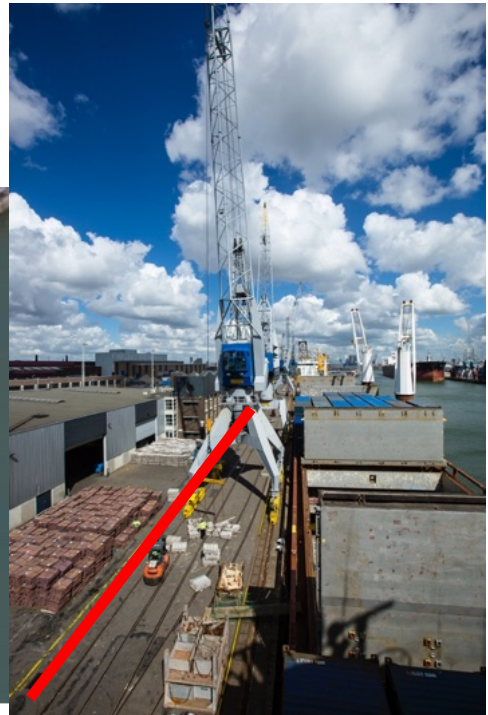

Important Disclaimers:

- Ensure all visitors are registered before arrival.
- Follow the designated routes according to the time of entry.
- Alarms will be activated if the night route is not adhered to outside of opening hours.
- Any associated costs due to non-compliance will be charged.

Thank you for your cooperation in maintaining the security and efficiency of our terminal operations.
