

## LAY-BY BERTH IN THE PORT OF ROTTERDAM

Welcome to Metaal Transport's lay-by berth services! Whether you're seeking a temporary berth for a day or an extended stay, we have the perfect solution tailored to your needs. Situated in the Waalhaven area, our lay-bys offer convenience and accessibility.

### Key features of our Lay-By Berths include:

1. **Prime Location:** Located within the Port of Rotterdam, our berths provide a well-sheltered environment for your vessel, ensuring safety and security throughout your stay.
2. **Optimal Accessibility:** Our berths are designed to accommodate vessels with a draught of up to 10,5 meters, guaranteeing smooth accessibility for ships of various sizes.
3. **Assistance Services:** Need assistance with loading or unloading? Our experienced team is ready to provide crane and/or forklift assistance, ensuring efficient operations during your time at our lay-by.
4. **Proximity to Repair & Maintenance Facilities:** Should the need arise, repair and maintenance parties are conveniently located nearby, ready to address any issues promptly and efficiently.

At Metaal Transport, we prioritize reliable lay-by services tailored to your vessel's needs. Whether you're a one-time visitor or a frequent user, you can expect exceptional support and hassle-free experiences. Contact us now! Your satisfaction is our priority - let us exceed your expectations!
